

MONEY RIDDLES 2H

Use the clues to find the correct set of coins from the eight possibilities.

CHALLENGE 1

- I am worth more than \$5.
- You can make me with some dollar bills and 2 coins.
- My value is less than 8 one-dollar bills.
- My lowest value coin is not a penny.

Who am I? _____

\$6.50	\$9.06	\$5.86	\$3.73
\$5.26	\$3.61	\$8.15	\$8.02

CHALLENGE 2

- I am worth less than two five-dollar bills.
- My amount of cents is even.
- The number of dollars I have is also even.
- You cannot make my amount using only dollar bills and quarters.

Who am I? _____
