

# ROW OF COINS CHALLENGES 4

*Use the same coins (above) for both challenges.*

## CHALLENGE A

Put the coins above in a row so that:

- the total of the first 3 coins is 57p
- the total of the last 3 coins is 31p
- the copper coins are at the start and end of the rows
- the 2 coins with the highest value are next to each other

## CHALLENGE B

Put the coins above in a row so that:

- the first coin is worth half the value of the last coin
- the first 3 coins add up to 16p
- the last 3 coins add up to 72p
- the largest and smallest sized coins are next to each other
